After Prime Minister Narendra Modi announced the formation of a relief fund on 28 March, Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund or PM CARES Fund where people help in the government's fight against coronavirus, industrial houses are persistently contributing to the fund.

Financial services conglomerate HDFC Group on Thursday said it has committed Rs 150 crore to the PM-Cares Fund to support the government for its relief and rehabilitation measures towards the Covid-19 pandemic.

Kusum Healthcare pledges Rs 2.50 cr

Kusum Healthcare, one of India's leading pharmaceutical manufacturer, announced a donation of Rs 2.50 crore to the PM CARES Fund to help India fight against COVID-19.

The company believes that this donation would help the government in the fight against COVID-19.

Additionally, the employees of Kusum Healthcare donated one-day's salary to the PM CARES Fund, amounting to Rs 9 lakh.

"With COVID-19 spreading throughout the world, we want to assist our fellow citizens in this time of great need, and this contribution to the PM CARES Fund is a small step towards that," said Sanjeev Gupta, managing director, Kusum Healthcare.

Kusum Healthcare also is taking all possible steps to meet the needs of its global customers while operating safely and effectively to minimise the risks of COVID-19 to its employees and customers globally.

Kusum Healthcare is a part of the Kusum Group of Companies, a fully integrated, young pharmaceutical group, with its headquarters in New Delhi. The company has three state of the art WHO GMP certified and PIC/s compliant manufacturing units in Bhiwadi Rajasthan and Indore, Madhya Pradesh.

Founded in 1997, Kusum Healthcare manufactures formulations for all major specialties including Gynecology, Orthopedic, Dermatology, General Medicine, Rheumatology, Neurology, Gastroenterology, Nephrology, Urology and more.
