Clinically Proven Actives

HOW TO USE

Step : 1 Aim the pump towards the scalp and apply the serum to clean up the damp hair.
Step : 2 Press the pump 5 times to apply a dose of 1ml of the solution.
Step : 3 Spread the solution with the help of your fingertips.
Step : 4 This serum works on scalp, so applying on hair strands is not required.

Step : 1 Apply the shampoo on your wet scalp to lather.
Step : 2 Massage onto the scalp with your hands.
Step : 3 Rinse thoroughly with water.
